Did you know Cottage Point is Sydney's smallest suburb?

Due to our secluded location in the National Park, Cottage Point doesn't have access to town water so we are unable to serve tap water. We offer a wide selection of beverages in the fridges in the Kiosk General Store, including beer & wine.

The Kiosk has boats & kayaks for hire so you can explore this beautiful waterway during your time here in Cottage Point. Please ask our Kiosk crew for more information.
